

Mid Atlantic Arts Foundation

U.S. Virgin Islands

Program Activity

2011 Program Year

Mid Atlantic Arts Foundation supports the richness and diversity of the region's arts resources and promotes wider access to the art and artists of the region, nation and world. The Foundation serves the states and territories of Delaware, the District of Columbia, Maryland, New Jersey, New York, Pennsylvania, the US Virgin Islands, Virginia, and West Virginia.

Presenting, Touring and Exhibiting Programs

Mid Atlantic Arts Foundation's American Masterpieces (AM), ArtsCONNECT (AC), Jazz Touring Network (JTN), Mid Atlantic Tours (MAT), and Pennsylvania Performing Arts on Tour (PPAT) programs work to strengthen the region's presenter network, provide stable touring engagements for artists both within our region and internationally, and give communities high quality, varied artist experiences.

Artist Support, Projects and Residencies

Through the Mid Atlantic Creative Fellowships and our work with the state fellowship programs of DE, MD, NJ and PA, Mid Atlantic Arts Foundation provides opportunities for artists to explore, create and exhibit their work while providing support and services to assist in career development.

Knowledge Building

Programs such as Jazz.Next develop the effectiveness of mid-Atlantic and national artists and arts organizations, as well as enhance their participation in Mid Atlantic Arts Foundation's programs and services.

Special Projects

Mid Atlantic Arts Foundation supports special projects initiated by the National Endowment for the Arts, and other opportunities that may not fit into a particular program but help to further the organization's mission.
