ABOUT THE PROGRAM

Performing Arts Global Exchange (“PAGE”) is a nationwide grant program designed to increase availability of international performing arts programming throughout the United States and to promote a greater understanding of other cultures through the performing arts. PAGE provides fee support grants to nonprofit presenters located anywhere in the United States and its territories that contract performing artists from the annually curated PAGE roster. Artists on the roster have not widely toured in the United States and reside in a focus region, selected for its rich diversity of artists. The 2020-2021 touring roster will feature artists from Canada and Mexico.

All funded engagements are required to include a public performance and a community engagement activity that provides audiences direct interaction with the visiting artists. An emphasis is placed on funding engagements in underserved communities that have little access to this type of artistic work.

PAGE is a program of Mid Atlantic Arts Foundation (“MAAF”) in cooperation with the National Endowment for the Arts (“Endowment”).

HOW IT WORKS

- **Curatorial Process:** Curators, selected on an annual basis by MAAF and the Endowment, provide artist roster suggestions. Feedback on potential roster artists suggested by curators is gathered via an online survey of U.S. presenters. MAAF and the Endowment determine the final roster giving consideration to presenter feedback and program objectives.
- **The Artist Roster & Focus Region:** The roster includes exemplary dance, music and theatre ensembles and solo artists exclusively from a selected region of the world. Focus regions will change annually or biennially and are determined cooperatively between MAAF and the Endowment. To review the artist roster and learn more about the program visit www.midatlanticarts.org/page/
- **Booking Period:** Eligible presenters must contact PAGE roster artists’ agents to contract an engagement scheduled between July 1, 2020 and June 30, 2021. Firm, written offers must be received and accepted by roster artist agents on or before March 25, 2020.
- **Grant Awards:** Fee subsidy grants will vary and may support up to 50% of the inclusive fee negotiated between the agent and the presenter.
- **How to Receive a Grant Award:**
 1. There is no application for PAGE.
 2. Interested presenters should contact the roster artist's booking agent directly to negotiate terms of the engagement, including artist-involved community engagement activities and any potential fee subsidy. Visit www.midatlanticarts.org/page/ to view the artist roster.

3. Offer letters must include the presenter's name, contact information, public performance and community engagement date(s), negotiated inclusive fee, and recommended grant support amount, as negotiated with the artist's agent.
 4. After the booking period ends March 25, 2020, agents provide MAAF offer letters and MAAF contacts eligible presenters directly with instructions to receive fee subsidies. Presenters interested in receiving subsidy must then complete a brief online form with details about their organization and the engagement, including planned artist-involved community engagement.
- **Determination of Grant Award Amounts:** Presenters reaching communities underserved by the arts will be given priority consideration for support. For the purposes of this program, an underserved community is defined as a population whose opportunities to experience the arts are limited by geography, ethnicity, age, economics, or disability.
 - Priority will also be given to presenters reaching communities that otherwise would have little access to live performance experiences with artists from abroad, such as those outside of large urban centers.
 - All eligible presenters that contract an eligible engagement, regardless of priority status, will be eligible for a fee subsidy grant award.

PRESENTER ELIGIBILITY

In order to receive PAGE fee support grants a presenting organization must:

- Be based anywhere in the United States and its territories (American Samoa, Guam, Northern Marianas Islands, Puerto Rico, and U.S. Virgin Islands).
- Be a 501(c)(3) nonprofit organization or a unit of state or local government. Units of state or local government must provide a document on official letterhead to confirm status as a government entity. Fiscal sponsorship is not permitted for this program.
- Be in good standing with Mid Atlantic Arts Foundation, with no overdue or outstanding required reports and/or grant documents.
- For this program, a presenter is defined as an organization that regularly schedules and engages professional artists to perform before general audiences in its community and manages the related performance logistics as an ongoing and significant component of their organization's activity.

ENGAGEMENT REQUIREMENTS

In order to receive PAGE fee support grants a presenting organization must:

- Enter into a contract with a PAGE roster artist for at least one public performance **and** at least one community engagement activity that builds appreciation for the performance or art form and provides the public with opportunities for direct interaction with the visiting artists. Community engagement activities may include, but are not limited to, master classes, lecture-demonstrations, workshops, and pre- or post-performance discussions. The activity offered must involve the featured artist(s). Presenters should discuss the community engagement activity and the artist's involvement with the artist's booking agent and include these activities in their negotiations.

GRANT AWARD LIMITATIONS

- There are no restrictions on the number of PAGE: Performing Arts of Latin America grants an eligible presenter can receive in a given year provided each engagement meets program guidelines. Each engagement is considered a separate award and documentation will be required for each.
- Fee support grants are based on demand and are available only as long as limited funds will allow. Presenters are encouraged to secure artist engagements as soon as possible.
- Fee subsidy is not guaranteed until confirmed by Mid Atlantic Arts Foundation.
- Funding awarded by MAAF is restricted to the specific, direct costs of the project, as detailed in the grant awards section above, and *may not be used for indirect costs*.
- Grants must be matched on a 1:1 basis. The match may not include Federal funds and the grant and the required match may not be used to match other Federal funds whether they are received directly from a Federal agency or indirectly, such as through a state agency or other entity.
- Any air travel directly paid by the presenter in whole or in part with this grant or the match must follow the provisions of the Fly America Act. Any air travel must be done on a U.S. flag air carrier which can include service provided under a code share agreement with a foreign air carrier when the ticket, or documentation for an electronic ticket, identifies the U.S. flag air carrier's designator code and flight number. Exceptions to the Fly America Act are outlined in the Grant Award Agreement.

GRANT AWARD TIMELINE & NOTIFICATION

- Firm, written offers must be received and accepted by roster artist agents on or before March 25, 2020.
- Presenters will be notified of fee support recommendations and will be required to fill out a short online form with engagement and community engagement activity details in April 2020.
- Presenters will be notified of official fee support grant approval in July 2020.
