About Mid Atlantic Arts

Mid Atlantic Arts supports artists, presenters, and organizations through unique programming, grant support, partnerships, and information sharing. Created in 1979, Mid Atlantic Arts is aligned with the region's state arts councils and the National Endowment for the Arts. We combine state and federal funding with private support from corporations, foundations, and individuals to nurture diverse artistic expression while connecting people to meaningful arts experiences within our region and beyond.

A True Cultural Exchange

Cityfest, Inc., [Wilmington](#)

“Despite a weather-related venue change to an indoor location, attendance remained strong, and the engagement was lively and uplifting. The interactive performance successfully reached Wilmington’s growing Latino/Hispanic community, encouraging audience participation through dancing, singing, and call-and-response moments. The energy in the room reflected a true cultural exchange, joyful, spontaneous, and deeply connecting for both artists and audience alike”.
