

Mid Atlantic Arts

New York 2021 Program Year

Arts

Mid Atlantic Arts was established in 1979 to promote and support multi-state arts programming in a region that includes Delaware, the District of Columbia, Maryland, New Jersey, New York, Pennsylvania, the U.S. Virgin Islands, Virginia, and West Virginia. It is one of six regional arts organizations in the United States, and works in close partnership with the National Endowment for the Arts and its member state and jurisdictional arts agencies. Mid Atlantic Arts distinguishes itself through its work in international cultural exchange, model programs in performing arts touring, its knowledge and presence in the jazz field, and its support of folk and traditional arts.
