ABOUT THIS FORM

By submitting this form, artists based in the mid-Atlantic region will be considered for selection to the Mid Atlantic Tours roster for the 2023-2024 season.

This form is not a grant application, and selection to the Mid Atlantic Tours roster does not constitute a grant award from Mid Atlantic Arts. Artists selected to the roster will work with a Tour Manager and Mid Atlantic Arts staff to determine subsidy awards made directly to presenters in the mid-Atlantic region for presentation of the roster artist during the project period.

Visit the Mid Atlantic Tours program page for more information and to review program guidelines: midatlanticarts.org/grants-programs/grants-for-organizations/#mid-atlantic-tours

SELECTION PROCESS

A Curatorial Advisement Panel made up of peer artists, presenters and cultural leaders from the mid-Atlantic region will review submissions to this form. Curatorial Advisement Panel members may suggest additional eligible artists for roster consideration.

Artists being strongly considered by the curatorial advisement team for inclusion on the Mid Atlantic Tours roster will be contacted by Mid Atlantic Arts staff for a conversation to determine, mutually, if the program will be a good fit for all parties.

Following these phone calls, artists recommended as finalists will be included as part of an email survey sent to presenters in the region. Through this survey, presenters will have the opportunity to indicate their interest in presenting artists being considered for the Mid Atlantic Tours roster. This process helps the curatorial team determine the potential touring success of prospective Mid Atlantic Tours roster artists.

After reviewing results from the presenter survey, Mid Atlantic Arts staff will make final recommendations for artists to include on the Mid Atlantic Tours roster.

The selection process for the Mid Atlantic Tours roster prioritizes:

- Projected touring success for Roster Artists: tour feasibility & presenter interest
- Broad representation of multiple performance genres
- Broad geographic representation from artists based in different states/jurisdictions in the mid-Atlantic region
- Artists and creators who are actively engaged with diverse communities to energize the transformative power of the arts

Mid Atlantic Arts is committed to countering structural inequities based on race, gender, disability status, sexual orientation, class, age and geography through our programs and strongly encourage artists with systemically marginalized identities, artists based in geographically rural locations and/or artists working in forms traditionally underrepresented in regional touring to submit an interest form to be considered for the Mid Atlantic Tours roster.

Due to the intentional brevity of the application process (an effort to minimize artist labor), Mid Atlantic Arts anticipates many submissions to this interest form; as such, Mid Atlantic Arts will not offer individual feedback for to artists not chosen for the Mid Atlantic Tours roster or to agents/managers/presenters submitting on their behalf.

TOURING INFORMATION FOR SELECTED ROSTER ARTISTS

Artists selected to the Mid Atlantic Tours roster will work closely with their Tour Manager to identify presenters in the mid-Atlantic region who would like to plan an engagement during the project period (July 1, 2023-June 30, 2024.)

Mid Atlantic Tours-supported engagements must include **two distinct engagement activities** as follows:

- Both engagement activities must include the Mid Atlantic Tours Roster Artist, and should be planned in dialogue with the Presenter, the Roster Artist and their Tour Manager
- At least one of the two engagement activities must include a performance or performative component of at least 30 minutes that is open to the public (may be ticketed or free; performance may be repeated multiple times during the engagement or performed one time)
- If both engagement activities are performances, they must be different from one another (i.e. performing the same musical set two nights in a row counts as one engagement activity)

- Other ideas for engagement activities include, but are not limited to, master classes, lecture-demonstrations, workshops, pre- or post-performance discussions, attendance at community festivals or meetings, etc. Presenters are invited to think expansively, and in collaboration with the Artist and their Tour Manager, about what activities would be a good fit for their community.
- Both engagement activities may be in-person or virtual. If virtual, they must meet Mid Atlantic Arts' Virtual Presentation guidelines:
 - [Mid Atlantic Arts Virtual Engagement Guide as a PDF](#) (link opens in a new window)
 - [Mid Atlantic Arts Virtual Engagement Guide as an accessible Word document](#) (Click link to download)
- Events that are primarily fundraisers are not considered an engagement activity

TOURING PREPARATION SUPPORT

Should a Mid Atlantic Tours roster artist desire touring preparation support, they may partner with one presenter that meets all eligibility criteria for Mid Atlantic Tours Presenter Subsidy (found in the Mid Atlantic Tours Guidelines) for a Touring Preparation Residency which does **not** include a public performance. All other guidelines and procedures for a Mid Atlantic Tours engagement must be met. The presenter is eligible for artist fee and presenter capacity support subsidies as described in the Mid Atlantic Tours Guidelines. Suggestions for engagement activities for the preparation residency include, but are not limited to, an extended technical residency, an in-process showing, a rehearsal or demo of a prospective community engagement activity, working with a dramaturg, developing marketing materials, or refining a technical rider.
